Conic Saves Space and Budget

Characterized by a simple silhouette, Conic by Janice Feldman is a value-driven group that is ideal for maximizing space. Featuring a sturdy aluminum frame and intricately woven olefin rope, the armchair and lounge chair both stack to four while the ottoman is designed to fit perfectly underneath the lounge chair when not in use.

Available in three neutral finishes—Chassis Silver rope with Chassis Silver frame, Fossil rope with Talc frame, and Shale rope with Graphite frame—Conic pairs beautifully with the Duo and Trig collections as well as other JANUS et Cie café and dining tables.

Well suited for contract and hospitality projects, Conic is just as fitting at an outdoor café or rooftop lounge as it is in a bustling backyard.

Conic collection includes:

- Stackable Armchair
- Stackable Lounge Chair
- Ottoman

Conic finishes:

- Chassis Silver/Chassis Silver
- Fossil/Talc
